REBECCA ANNE RIGGS, EIT

ram1anne@tamu.edu
3702 Ardenne Court
College Station, TX 77845
(979) 690-9748

EDUCATION

Texas A&M University –May 2003, Cum Laude
Bachelors of Science in Biological Systems Engineering
Engineering Specialization in Bioenvironmental Engineering
Major GPR: 4.0 Overall GPA: 3.52

RELEVANT WORK EXPERIENCE

Mitchell & Morgan, LLP, College Station, TX March 2003-Present
Graduate Engineer
- Design of water distribution and wastewater collection systems
- Creation of stormwater pollution prevention plans
- Design of stormwater management and collection systems
- Industrial stormwater permits

Bleyl & Associates, College Station, TX October 2002-March 2003
Engineering Intern
- Stormwater drainage design utilizing StormCAD
- Preparation of feasibility reports and permit renewal applications
- Assisted in quantity take-offs

Alexander Engineering, Spring, TX May 2002-August 2002
Field Representative
- Oversaw construction of various environmental projects
- Maintained code standards for Harris County
- Liaison between engineers and construction companies

Texas A&M University, College Station, TX
Biological & Agricultural Engineering Student Worker May 2000-August 2000
- Assisted in agricultural engineering projects
- Water quality testing
- Assisted in development of wastewater aeration system

COMPUTER SKILLS

AutoCAD, HEC-HMS, Land Desktop, Maple, Matlab, Microsoft Office Suite, MikeNET, PageMaker, StormCAD, Works

HONORS/ACTIVITIES

Alpha Epsilon, American Society of Agricultural Engineers, American Society of Civil Engineers, American Water Resources Association (vice president), Dean's List, Golden Key National Honor Society, MSC Conversations, Texas A&M Cycling Team (women's team coordinator), Texas A&M Concert Band (percussion section leader)
